Addresses of ECGD local offices

The Export Credits Guarantee Department (ECGD) is a Government Department providing export credit insurance for United Kingdom exporters and insurance against political risks for new investments overseas. Although credit insurance is its main service to exporters the Department offers them a number of others. Firstly the Bank Guarantee scheme is available to exporters who have held an ECGD comprehensive type policy for 12 months. This scheme enables exporters to obtain export finance from their bank at a special low rate. Major projects carried out by British firms in overseas countries can be financed by the buyer credit technique which gives the exporter the bulk of his payment on shipment of the goods. Similar to this is the line of credit facility which extends the buyer credit principle to include contracts often with an individual value as low as £10,000. ECGD now insures 38 per cent of all UK exports. For full details of all ECGD services contact Publicity Branch, ECGD, Aldermanbury House, Aldermanbury, London EC2 2EL, telephone 01-606 6699 extension 258, telex 883601, or get in touch with your local branch office listed below.
